STORY MODE

THE STORY

You're an up-and-coming pro with serious skills when skating legend Tony Hawk invites you to join his team of skaters in an unprecedented around-the-world competition—an all-out skating blitzkrieg where you'll rack up points for your team through serious hard-core skating and ridiculous stunts. It's Tony's team versus Bam's team in an underground skating competition. Two teams, international cities and hundreds of funny and insane challenges await.

GOALS AND THE VIEW GOALS MENU

A list of goals to complete is presented as you enter each location. Skate around the level and investigate to trigger these goals, or go to View Goals in the Pause Menu to get hints. As you skate, look around the level for your teammate, who has his own set of objectives to complete. Once you find him, press **Key Pad 6** to switch to that character and unlock his goals. You'll have to seek out and find your teammate as well as a guest and secret skater to unlock all the possible goals for that location. Once goals have been unlocked, you can complete them by playing as yourself or as one of the other characters. Good luck!

MULTIPLAYER GAMES

TRICK ATTACK

The player with the highest score at the end of the time limit wins!

SCORE CHALLENGE

Similar to trick attack, except the match ends when the first skater reaches the target score.

COMBO MAMBO

The player who busts the biggest combo during the time limit wins! Make your combos count, because your highest scoring combo will be your score for the match.

SLAP!

This one's easy to explain: The player who slaps the most wins! When two skaters collide, the faster player stays standing. So bust some tricks to get your Special Meter full, and then start slapping the other skaters around!
